8- Perkins Grant - Renewal

Board of Trustees, Chancellor, Presidents, and members of the audience - Regarding the Perkins Grant and its continuance

Of importance is the listing in a public document the statement of faculty involvement - there should be as part of the inclusion - back-up documentation to the grant a listing of the current faculty involved / ~~Involvement~~

The listing of faculty should be

A significant part of the process, the successful outcomes and assessment of the grant.

Thank you
