PETITION TO KEEP MARCO POLO HOT DOG STANDS AT LANEY COLLEGE.

Petition summary and background	Mohammed Shojaee and Sakhi Sadiqyar have been running the Marco Polo hot dog stands at Laney College since 1991. Recently they received a letter from the District office stating that they may not be allowed to continue their service at Laney College. This would be a great loss for the Laney faculty, students and staff. We are spearheading a petition of support for these two wonderful people that have become a part of our Laney community.
