Dear Bill Withrow; Marcie Hodge; Linda Handy; Nicky González Yuen; William Riley; Cy Gulassa; Yvonne Thompson; Rita Mouton-Patterson; Becky Hsieh; Carol Dalessio; Alexandra Cipher; Frank Chong

I am a current student in the DSPS program here at Laney College. One of my federally mandated accommodations is that my books, tests, and quizzes must be transferred in **Alternate Media Technology** format in a timely manner. If the **Alternate Media Technology** program is discontinued, I intend to sue the **Peralta Community College District for not being in compliance with federal law 504,508, and state law AB 422.**

We are in crisis mode, now and we need to spend the rainy day fund to insure that all disabled students receive their mandated accommodations in a timely manner.

A Very Concerned Student,
