Since being elected I have worked diligently to find answers to the critical
issues facing colleges today. I have looked at the issues of partnerships
in meeting our funding needs, looked at local parcel taxes as a temporary
fix for meetng local needs, and lobbied for continuation of Cal Grants
since I represent the poorest and most unemployed county in California.

CANDIDATE'S NAME: WALTER G. HOWALD DATE: February 5, 2010

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? **(50 words or less; any portion of the statement beyond this limit will not be included.)**

Stable funding is my top priority. Californians recognize the important role our colleges play in California's economic recovery. We must capitalize on this recognition by (1) ensuring access (2) protect workforce training, (3) offer the highest quality transfer courses, and (4) pursue new additional funding.

What do you feel you can contribute in these areas? **(50 words or less; any portion of the statement beyond this limit will not be included.)**

As an attorney and community leader, I've learned this lesson: To win, you must take action. The Governor and President Obama voiced support for our mission; we must use this support, build a broader political consensus, and in the future position our colleges to benefit during better economic times.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

Beyond overwhelming financial issues, there must be a combined effort to protect our community college system's "open door" policies and to expand financial aid opportunities, allowing any person to pursue a college education. I also support working collaboratively throughout the education system and with our legislators to ensure student success.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

As a former K-12 school board member, city councilman and mayor, I know how crucial it is that we partner with state and local officials. I bring to the CCCT board the experience and personal connections with educators and political leaders that are necessary to enable true reform in education.
