

PERALTA COMMUNITY COLLEGE DISTRICT

ITEM # 6

Board of Trustees Agenda Report

For the Trustee Meeting Date of March 9, 2010

ITEM TITLE: (Please define the subject; e.g., change order – Berkeley City College)

Consider Revision of the Health Fee Resolution to Reflect One Fee for all Students

SPECIFIC BOARD ACTION REQUESTED:

The Health Fee Resolution was passed on Tuesday, January 26. The Peralta Community College District Board of Trustees voted unanimously to assess each student seventeen dollars (\$17) for each semester and fourteen dollars (\$14) for each summer session or intercession of at least four weeks, effective 2010 fall semester. There will be a ten dollar (\$10) fee for part-time students (that is, students enrolled in less than nine units per semester, summer session, or intercession).

The request is to revise the Health Fee Resolution by **deleting** the paragraph below:

Be it resolved that the Board hereby also assesses ten dollars (\$10) for part-time students (that is, students enrolled less than nine units per semester, summer session, or intercession). For every year afterwards, Board shall assess an increase by one dollar (\$1) whenever the Implicit Price Deflator for State and Local Government Purchase of Goods and Services calculation produces an increase of one dollar above existing fee.

There should be one fee for all students (\$17 for each semester and fourteen dollars \$14 for each summer session) because students may enroll as full time and then drop to part time during the semester. This would result in students requesting refunds for the difference in fee amounts. Also, part time students will have the same access to the Health Services as the full time students so the fee should be the same. There is insufficient time for this item to first proceed to the Board Student Services committee, in order to have this information printed in the student catalogue.
