PCCD Board of Trustee Meeting  
Associated Students College of Alameda Report

Good evening, my name is Jean Washburn and I am here on the behalf of the Associated Students College of Alameda to submit our bi-monthly report to the board of trustees.

As you are aware, student elections were held last week. I ~~am very pleased~~<sup>would like</sup> to announce that I was elected to be the next ASCOA President and that Peter Wolz-Romberger will be our next Vice President of Administration. We are excited to get to work and see what challenges and rewards the next year brings our college.

ASCOA will be sending two representatives to the SSCCC Spring General Assembly in Los Angeles this weekend. We wish them both luck. <sup>as they represent COA on important statewide issues.</sup>

<sup>the Previous</sup> ~~Last~~ weekend, a delegation from the College of Alameda attended ~~their~~<sup>our</sup> first ever Model United Nations of the Far West conference as the delegates from Chile and Denmark. Despite the set back of having to attend without Professor Robert Brem, our Faculty Advisor, we did exceptionally well. The event was rewarding and fun, with intense debates on the Sustainable Development in Africa, Addressing the Global Carbon Market and even an exercise in budgeting. The club would like to thank Mr. Mustafa Popal for stepping in as our faculty advisor at the last minute; we couldn't have done it without him.

The Associated Students of the College of Alameda would like to recognize the retirement of Ms. Camille Hopkins, and thank her for her years of service and dedication to the student body – she will be sorely missed. We would also like to recognize and thank Ms. Patricia Gueverra for filling Ms. ~~Hopkins'~~<sup>Hopkins'</sup> role on a temporary basis.

A few upcoming events that we are looking forward to is the Textbook Rental Program presentation is on May 4<sup>th</sup>. ASCOA is glad to be able to help and provide students with options in light of the rising costs of textbooks. We will be having a Cinco de Mayo event on May 5, and we would like to thank our Adelante learning community and Latinos Unidos student club for leading the planning of the event. On May 19<sup>th</sup>, we will be holding the 27<sup>th</sup> annual Awards dinner onboard the Commodore, on May 26<sup>th</sup> is the EOPS/CARE Graduation and, finally, on May 28<sup>th</sup> is College of Alameda Graduation.

Thank you.
