

## Board of Trustees' Meeting

October 26, 2010

- ASMC has been focusing on recruitment, and has sworn in four senators over the past two meetings, and there are more petitions pending.
- We sold over 150 cups of coffee at the cycle cross event that was held at Merritt College on 10/17. This is the first revenue for our Peet's Coffee & Tea that will be opening soon. We've had a few issues with the electricity wattage, but it is being worked on, and we should have Peet's up and running soon.
- We have an upcoming Dia de los Muertos event on 11/3, and I look forward to giving a successful report about that event.

Grace Marlin  
ASMC, President
