PCCD Board of Trustee Meeting
Associated Students College of Alameda Report

Good evening, my name is Jean Washburn, the President of the Associated Students College of Alameda, and I am here to submit our bi-monthly report to the board of trustees.

On Tuesday, November 23rd, the Associated Student's Red Cross Club held a blood drive. The event was a success, with over 40 donors attending the event. I would like to thank Lisa Ebersol, our coordinator from the American Red Cross Association, for her help with the event.

On Thursday, December 2nd, the College of Alameda Save Our Schools club and the De Novo Committee, in cooperation with the school Administration, held a forum on the budget cuts. The event was well attended and generated plenty of discussion not only on what has happened, but how students, staff and faculty think the college should transcend these difficult times. The SOS club, the De Novo Committee and ASCOA would like to thank Doctor Jannett Jackson for her enlightening presentation at the forum, as well as Doctors Compton and Kenney for adding their thoughts and expertise to the proceedings.

Yesterday, as part of College of Alameda's year long 40th Anniversary series of events, the college recognized former President, Doctor George Herring, by dedicating the COA tennis courts in his name. Present at the dedication ceremony were several distinguished guests including Chancellor Allen and members of the Board of Trustees as well as family and friends of Dr. Herring. Finally, COA is having two winter concerts this week – a concert tonight called 'Swinging in The Holidays' courtesy of Glenn Pierson's Students and a jazz concert on Thursday courtesy of Herbert Mims' students. Both are at 7pm and all are encouraged to attend.

Thank you.
