***Education Code Section**

87470 Section (a) (1) The governing board of a community college district may employ academic employees, including educational administrators, in programs and projects to perform services conducted under contract with public or private agencies, or other categorically funded projects of indeterminate duration under terms and conditions mutually agreed upon by the employee and the governing board. The agreement shall be reduced to writing.

(c) Notwithstanding any other provision of law, upon termination or expiration of employment under this section, a person employed as an educational administrator shall not be entitled to the rights set forth in Section 87458 unless those rights are provided pursuant to his or her contract of employment.

87458. A person employed in an administrative position that is not part of the classified service, who has not previously acquired tenured status as a faculty member in the same district and who is not under contract in a program or project to perform services conducted under contract with public or private agencies, or in other categorically funded projects of indeterminate duration, shall have the right to become a first-year probationary faculty member once his or her administrative assignment expires or is terminated if all of the following apply:

(a) The process by which the governing board reaches the determination shall be developed and agreed upon jointly by representatives of the governing board and the academic senate, and approved by the governing board. The agreed upon process shall include reasonable procedures to ensure that the governing board relies primarily upon the advice and judgment of the academic senate to determine that the administrator possesses the minimum qualifications for employment as a faculty member. The process shall further require that the governing board provide the academic senate with an opportunity to present its views to the governing board before the board makes a determination and that the written record of the decision, including the views of the academic senate, shall be available for review pursuant to Section 87358.

(b) Until a joint agreement is reached pursuant to subdivision (a), the district process in existence on January 1, 1989, shall remain in effect.

(c) The administrator has completed at least two years of satisfactory service, including any time previously served as a faculty member, in the district.

(d) The termination of the administrative assignment is for any reason other than dismissal for cause.

(e) This section shall apply to every educational administrator whose first day of paid service in the district as a faculty member or an administrator is on or after July 1, 1990.
