

Make Cuts as far away from the Classroom as Possible

Petition to the Peralta Board of Trustees October 2011

We the undersigned, faculty, staff and students of the Peralta District, ask the members of the Peralta Board of Trustees to reconsider their vote taken on September 13th, to spend \$383,500.00 on District consultants. This is equal to 75-80 class sections at the colleges. In a time of severe cuts to the colleges, we feel it is both unnecessary and immoral for the Board to spend money on consultants that would otherwise go to the classroom or student services.

Make Cuts as far away from the Classroom as Possible

Petition to the Peralta Board of Trustees October 2011

We the undersigned, faculty, staff and students of the Peralta District, ask the members of the Peralta Board of Trustees to reconsider their vote taken on September 13th, to spend \$383,500.00 on District consultants. This is equal to 75-80 class sections at the colleges. In a time of severe cuts to the colleges, we feel it is both unnecessary and immoral for the Board to spend money on consultants that would otherwise go to the classroom or student services.
