

**BOARD POLICY 4226 MULTIPLE AND OVERLAPPING ENROLLMENTS**

The Chancellor shall establish procedures to ensure that students may only enroll in multiple (two or more) sections of the same credit course during the same term if the length of the course provides that ~~the student is not enrolled in more than one section at any given time.~~ each section of the course ends before the next one begins.

The Peralta Community College District does not permit enrollment in two or more classes (sections) where the meeting times overlap. An overlap of meeting times occurs when any part of the meeting time of two or more sections occurs simultaneously on the same day and at the same time.
