

COMMUNITY COLLEGE LEAGUE
OF CALIFORNIA

DATE: February 27, 2012

TO: California Community College Trustees
California Community College District Chancellors/Superintendents

FROM: Judy Centlivre, Executive Assistant

SUBJECT: CCCT BOARD ELECTION — 2012

Pursuant to the CCCT Board Governing Policies, the election of members of the CCCT board of the League will take place between March 10 and April 25. Although the election announcement and call for nominations indicated that there are seven seats to be filled, there are now eight seats due to the recent resignation from the board by Trustee Larwood.

Each member community college district board of the League shall have one vote for each of the eight vacancies on the CCCT board. Only one vote may be cast for any nominee or write-in candidate. The eight candidates who receive the most votes will serve three-year terms. In the event of a tie vote for the last position to be filled, the CCCT board will vote to break the tie.

The eleven trustees who have been nominated for election to the board are listed on the enclosed sheet in the order of the Secretary of State's random drawing. An official ballot for the election is also enclosed in this mailing to each community college district, as well as copies of the statement of candidacy and biographic sketch form of each of the eleven candidates.

Please remember that: *1) ballots must be signed by the board secretary and board president or vice-president; and 2) ballot return envelopes must have no identifying information or signatures.* Official ballots must be signed and returned to the League office, **postmarked no later than April 25**. Faxed ballots will **not** be accepted. The ballots will be opened and counted by three tellers appointed by the CCCT President and the results announced at the CCCT Annual Conference.

If you have any questions on the CCCT board election, please call the League office.

OTHER

California community colleges are on the brink of major reform. This reform includes the restructuring of our priorities, resources and practices. We must develop models of accountability and improve our outcomes. We need to focus on student access, student success, career attainment and increased student persistence so all students, including students of color, reach their educational goals. Chancellor Scott reminds us we have a valuable framework for improvement with the implementation of the task force recommendations. However, each of these recommendations needs to be implemented with great thought and care. Although reform is necessary, we must not lose site of the important role in lobbying for our fair share of educational dollars. We must increase access, support professional development for our faculty, staff and trustees and continue to applaud our successes as we assist California with its economic recovery. I have the experience, skill and energy to assist with these tasks as a board member of the CCCT.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? **(50 words or less; any portion of the statement beyond this limit will not be included.)**

1. Successfully accommodating the increasing number of ill-prepared students entering college. Community
Colleges are responsible, through education and vocational training, to prepare these students to contribute
to society.

2. Diversification of our faculty, staff, and students. Diversity enriches the educational experience and makes all
students feel welcome.

What do you feel you can contribute in these areas? **(50 words or less; any portion of the statement beyond this limit will not be included.)**

Student success must remain our highest priority. Budget crises can jeopardize great programs. It is better to
fully fund good programs and cut programs that are not contributing. I have managed organizations with huge
budgets - during budget crises - in the Air Force and Aerospace industry, and always accomplished the mission.

Must be returned to the League office postmarked no later than February 15, 2012 along with the nominating ballot and biographic sketch form. Faxed material will not be accepted.

CANDIDATE'S NAME: Chris Stampolis DATE: January 11, 2012

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

Amid reduced financial resources, Community College Trustees must balance increasing demand from high-achieving 12th graders, a wide range of career training trends and local remediation needs. To do more with less, CCCT should support expanded distance training (including webinars) and can facilitate partnerships with K-12 trustees and municipal officials.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

As father of two elementary students, and husband of a three-term County Board of Education Trustee, I see our Community College challenges multigenerationally. I will continue to advocate for CCCT to address college readiness, STEM training and the achievement gap and to encourage discussions with K-12 trustees and community leaders.
