

**PERALTA COMMUNITY COLLEGE DISTRICT**  
**Board of Trustees Agenda Report**  
**For the Trustee Meeting Date of May 8, 2012**

**ITEM # 13**

**ITEM TITLE:**

Consider Approval of acceptance of a contract from the Alameda County Workforce Investment Board/Oakland Private Industry Council for Laney College in the amount of \$125,000 for the period of April 1, 2012 to October 31, 2012 to support a training program in Medical Device Manufacturing Technology at the college.

**SPECIFIC BOARD ACTION REQUESTED:**

Consider approval of a contract from the Alameda County Workforce Investment Board/Oakland Private Industry Council in the amount of \$125,000 from April 1, 2012 to October 31, 2012 to fund the design and implementation of an interdisciplinary instructional program in Medical Device Manufacturing Technology.

**ITEM SUMMARY:**

Through a contract in the amount of \$125,000 from the Alameda County Workforce Investment Board/Oakland Private Industry Council, Laney College will design and deliver an interdisciplinary curriculum in Medical Device Manufacturing Technology for approximately 20 dislocated workers in the East Bay. The program will provide coursework in mathematics, rapid design and prototyping, electricity and electronics, bioengineering technology, and FDA regulations for the industry. The contract will support the ongoing partnership between Laney College and the UC Berkeley Bioengineering Department and the Berkeley Nanotechnology Center. The contract will also fund Laney's efforts to strengthen its regional employer network, to develop internships and direct job placements in industry for students, and to ensure that the Laney curriculum meets the needs of multiple industry employers within the Bay Area labor market.

**SOURCE OF FUNDS:**

Workforce Investment Act Funds; no budgetary impact

**BACKGROUND/ANALYSIS:**

The contract supports the critical mission of Laney College and the Peralta District to offer high quality workforce development opportunities for the communities served within the Bay Area region.

**DELIVERABLES AND SCOPE OF WORK:**

The Alameda County WIB will jointly conduct outreach and recruitment activities for program participants as well as outreach to employers to increase participation in the program industry advisory board and identify job placements for program graduates.

Laney College will have primary responsibility for design and delivery of training consisting of approximately 480 hours of classroom lecture and laboratory instruction. Training will take place over an approximately four month period primarily at Laney College but also at UC Berkeley facilities.
