[Presentation By City of Oakland and QuEST Regarding Lighting Upgrades and Integrated Classroom Lighting Controls \(5 minutes\) Presenters: Representatives from the City of Oakland and QuEST Through participation in the Oakland Shines Lighting Upgrade and Classroom Integrated Lighting Controls \(ICLC\) programs, the District received labor and materials, valued at an aggregate total of \\$477,583.67. Projected annual energy savings are \\$44,546.56, and projected annual CO2 emissions reduction is 172,039 lbs. All installation was done at the Laney College campus. It was the only campus that was eligible for the rebates under the Oakland Shines program. For the lighting upgrade program, lights in the stairwells, exterior of buildings, and the parking lot were replaced with new lighting fixtures and energy-efficient lamps. For the ICLC program, thirty-nine classrooms were eligible and received upgraded lighting, wireless dimmable ballasts, wireless light switches, occupancy sensors, and daylight sensors. The classrooms were further divided into front and rear lighting zones, giving faculty more refined control over classroom lighting levels. The Oakland Shines programs were administered by QuEST, a Berkeley, California engineering firm, and by the Community Energy Services Corporation, also based in Berkeley, California. There was no cost to the District. The work was inspected by the program administrators, and the service providers were paid directly by the program administrators.](#)

43. Consider Approval of Resolution 11/12-42, Acceptance and Retention, Building Q Improvements at Merritt College, Rockaway Construction Inc. Presenter: Vice Chancellor Ikharo On March 23, 2010, this Board awarded a contract to Rockaway Construction Inc. for the Building Q Improvements at Merritt College. Funding Source: Bond Measure A. The work has now been completed, a Notice of Completion has been filed with the County of Alameda, and the Merritt College President and Business Manager have signed the Project College Acceptance Form. Approval by the Board of Trustees is recommended. This resolution accepts the work as complete and provides for a retention payment of \$70,998.05, which is 5% of the contract price. The Board previously ratified three change orders to this contract in the cumulative amount of \$129,086.92, which is 9.9% of the original contract amount (\$1,290,874.00). All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

44. Consider Approval of Resolution 11/12-43, Acceptance and Retention, and Ratification of Deductive Change Order No. 1, PCCD Smart Classroom Systems, Bid A (College of Alameda, Berkeley City College and Laney College), Serb Systems, Inc. dba Pro Media Ultrasound Presenter: Vice Chancellor Ikharo On September 28, 2010, this Board awarded a contract to Serb Systems, Inc. dba Pro Media Ultrasound for the PCCD Smart Classroom Systems, Bid A (College of Alameda, Berkeley City College and Laney College). This project included the purchase and installation of all equipment for the smart classrooms at the three colleges. (The Smart Classroom Systems for Merritt College was done by a different contractor under a separate contract.) The work at College of Alameda, Berkeley

City College and Laney College has now been completed, and a Notice of Completion has been filed with the County of Alameda. This resolution accepts the work as complete and provides for a retention payment of \$294,639.30, which is 10% of the contract price as adjusted by the deductive change order. Funding Source: Bond Measure A. Ratification is also requested for Change Order No. 1, a deduction in the amount of (\$272,157.00), which is a reduction of 8.5% to the original contract amount of \$3,218,550.00. Deductive Change Order No. 1 includes changes in equipment required and installation locations at the three campuses. The cumulative total of these changes resulted in a deductive amount of (\$272,157.00). This deductive change order returns \$272,157.00 to the District. It is the only change order for this project. It is in the best interests of the District and financially prudent to authorize this change order. Approval to accept the project as complete and ratification of Deductive Change Order No. 1 are recommended by the Chancellor. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

45. Consider Approval of Resolution 11/12-44, Acceptance and Retention, and Ratification of Deductive Change Order No. 1, PCCD Smart Classroom Security Implementation Project, Convergent Technologies LP Presenter: Vice Chancellor Ikharo On April 26, 2011, this Board awarded a contract to Convergent Technologies LP for the PCCD Smart Classroom Security Implementation Project. This project installed battery operated door locks for all smart classrooms that could be adapted to support the new locks, in order to enhance security and prevent theft of the new AV equipment. One hundred eighteen (118) locks were installed in various smart classroom doors throughout the District's four campuses. The work has now been completed, and a Notice of Completion has been filed with the County of Alameda. This resolution accepts the work as complete and provides for a retention payment of \$28,023.20, which is 10% of the contract price as adjusted by the deductive change order. Funding Source: Bond Measure E. Ratification is also requested for Change Order No. 1, a deduction in the amount of (\$63,996.00), which is a reduction of 18.6% to the original contract amount of \$344,228.00. Part of the bid for this project included an allowance and two unit prices to calculate the cost of modifications for unforeseen site field conditions and/or required changes in the field as desired by each campus. Deductive Change Order No. 1 represents the remaining balance of the allowance and returns \$63,996.00 to the District. It also extends the contract completion date to April 30, 2012. This is the only change order for this project. It is in the best interests of the District and financially prudent to authorize this change order. Approval to accept the project as complete and ratification of Deductive Change Order No. 1 are recommended by the Chancellor. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

46. Consider Approval of Resolution 11/12-45, Acceptance and Retention, Ratification of Change Order No. 4, Learning Center/Library Renovation Project at Merritt College, Alten Construction, Inc. Presenter: Vice Chancellor Ikharo On December 7, 2010, this Board approved awarding a contract to Alten Construction, Inc. for the Learning Center/Library Renovation project at Merritt College. The work has now been completed, a Notice of Completion has been filed with the County of Alameda, and the Merritt College President and Business Manager have signed the Project College Acceptance Form. Project acceptance is recommended. This resolution accepts the work as complete and provides a retention payment of \$384,617, which is 10% of the contract price as modified by change orders. Funding Source: Bond Measure A. Ratification is also requested for Change Order

No. 4, in the amount of \$24,664. Including the previously Board approved Change Order Nos. 1, 2 and 3, the cumulative change order total is \$349,170, which is 9.99% of the original contract amount (\$3,497,000). It was necessary for the contractor to perform this work so that the project schedule would not be delayed and the sequencing of the work would not be adversely affected. In accordance with Board Policy 6.83, approval was requested from the Chancellor for the change order work, and Change Order No. 4 is now brought before the Board for ratification. Change Order No. 4 was required to address non-compliant aspects of the existing building that were not included in the contract documents but are required for code compliance, safe occupancy of the building and correct functioning of the various systems. The non-compliant items included: Missing fire alarm monitoring modules for new flow-tamper switches and new fire smoke dampers, which were omitted from the original contract documents Correction of existing hidden flooring conditions that did not meet ADA accessibility codes It is in the best interests of the District and financially prudent to authorize this change order. Approval to accept the project as complete and ratification of Change Order No. 4 are recommended by the Chancellor. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

47. Consider Ratification of Change Order No. 4, Laney Tower Modernization Project, AJF/BHM, A Joint Venture Presenter: Vice Chancellor Ikharo Ratification is requested for Change Order No. 4 to the contract with AJF/BHM, A Joint Venture for the Laney Administration Tower Renovation Project, in the amount of \$54,709. Including the previously Board approved Change Orders No. 1, 2 and 3, the cumulative change order total to date is \$301,360, which is 7.5% of the original contract amount (\$3,997,351). Funding Source: Bond Measure A. Change Order No. 4, which is necessary as the result of unforeseen conditions and code compliance, includes the following scope of work: Furnish labor, equipment and materials to design and expand the existing basement fire sprinkler system to provide new heads, piping and supports per the requirements of the Division of the State Architect Furnish labor, equipment and materials to replace and upgrade the existing fire alarm system to include speaker strobes, conduits and cabling for all floors, as required by code and unforeseen field conditions Furnish labor equipment and materials to demolish/remove the existing lath and plaster in the 14 men's and women's bathrooms and prepare wall surfaces to receive new ceramic tile, necessary due to unforeseen field conditions In accordance with Board Policy 6.83, approval was requested from the Chancellor for the change order work, and Change Order No. 4 is now brought before the Board for ratification. It is in the best interests of the District and financially prudent to authorize this change order. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends ratification.

48. Consider Approval to Enter into an Agreement with Clark & Sullivan/Walsh Construction to Provide Design-Build Project Delivery Services and Construction for the Merritt College New Science and Allied Health Building Presenter: Vice Chancellor Ikharo Approval is requested to enter into an agreement with Clark & Sullivan/Walsh Construction to provide design-build project delivery services and construction for the Merritt College New Science and Allied Health Building, in the estimated amount of \$42,760,000. Funding Source: Bond Measure A. A multiple-step RFQ (Request for Qualifications) process was followed in the selection of a design-build team for the Merritt New Science and Allied Health Building. At the meeting of January 24, 2012, the Board of Trustees approved entering into negotiations with Turner Construction Company for the project. It was

further recommended and approved that if the District and Turner Construction Company were unable to arrive at a design-build agreement acceptable to both parties, the Chancellor was authorized to negotiate an agreement with the second highest scoring firm, Clark & Sullivan/Walsh Construction. After several months of extensive negotiations, the District determined that an acceptable agreement could not be reached with Turner Construction Company and concluded negotiations. As a result, on March 28, 2012, the District initiated contract negotiations with Clark & Sullivan/Walsh Construction for design-build services and construction for the Merritt College New Science and Allied Health Building. Clark & Sullivan/Walsh Construction has teamed up with NTD Architects (architect of record) and a local architectural firm, Murakami/Nelson, for this project. Clark & Sullivan/Walsh Construction will conduct a vigorous community outreach program to create opportunities for small local businesses in the Peralta District service area. In order to maximize small local business participation, bid requests will be developed and grouped in competitive packages suitable to achieve a 30% minimum small local business participation. This project is also part of the Project Labor Agreement with the Building and Construction Trades Council of Alameda County. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

49. Consider Approval to Enter into an Agreement with YHLA Architects for Architectural/Engineering Services Required for the Fire Alarm and Fire Pump, and Construction Administration Services for the Laney College Tower Renovation Phase II Project Presenter: Vice Chancellor Ikharo Approval is requested to enter into an agreement with YHLA Architects for architectural and engineering design services required for the fire alarm and fire pump, and construction administration services for the Laney College Tower Renovation Phase II project, in the not-to-exceed amount of \$96,742. Funding Source: Bond Measure A. Architectural services are required to comply with the fire alarm and fire pump upgrades as required by the Division of the State Architect (DSA). Additionally, architectural services are required to cover the contract administration required for the construction phase of the Laney Tower Renovation Phase II project. These services are necessary to ensure oversight of the ongoing construction and compliance with the plans and specifications developed for the project. An important part of the construction administration is the project closeout phase that involves coordination and compliance with all the requirements of DSA to meet new Title 24 regulations on fire alarms and fire pumps. YHLA Architects was selected from the previously Board approved short list of architectural firms. The firm is based in Oakland and is the architect for the Laney Tower Renovation Phase I, which will ensure continuity of the entire Tower project. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

50. Consider Approval of Amendment to Lease with Continental Can Building LLC for Interim Storage Needs for Merritt College and Laney College Presenter: Vice Chancellor Ikharo Approval is requested for an amendment to the lease between the District and Continental Can Building LLC for interim storage space located at 5601 San Leandro Street in Oakland, at a total not-to-exceed cost of \$55,000. Funding Source: Bond Measure A. The amendment extends the lease term for a period of eleven months, from March 1, 2012 through January 31, 2013, at a cost of \$5,000 per month. The leased space will continue to be used for storage of books and other usable furniture, fixtures and equipment during the construction work of the Laney College Administrative Tower Building and the move-in phase for the Learning Center/Library Renovation project at Merritt College. The construction of the Learning Center/Library Renovation project is complete, but the library stacks and furniture remain to be delivered before the stored materials for that project can be removed. The Laney Tower project is anticipated to be complete by November 2012, and storage space will be

required until the project is complete and the furniture and equipment is moved back to the Tower. The original lease was approved at the Board meeting of February 15, 2011. The lease term began March 1, 2011 and ended February 29, 2012. The Board of Trustees approved an amount of \$54,000 for the lease cost. An additional \$8,000 deposit was required for first and last months' rent. Approval is requested to increase the purchase order by that amount, as it was not included in the original Board approval. The \$8,000 deposit will be refunded at the lease termination. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

51. Consider Approval for the Purchase of Network Equipment and Devices for Improvements to the 860 Atlantic Avenue Project from Extra Team under a Piggyback-able Contract Presenter: Vice Chancellor Ikharo Approval is requested for the purchase of network equipment and devices for the Improvements to 860 Atlantic Avenue project, in the amount of \$143,684.52. Funding Source: Bond Measure A. The network equipment and devices will be installed by the IT Department. They are necessary to provide office and classroom access to files, printers, internet, presentations and email, and to make the phone and security systems (surveillance cameras) fully functional. Under Public Contract Code Section 20652, the Governing Board of any community college district without advertising for bids, and when that board has determined it to be in the best interests of the District, may authorize purchase of materials and equipment utilizing piggyback-able contracts. Initially, the College contacted three technology vendors who have piggyback-able contracts for the necessary equipment. Each vendor was requested to provide a quote for the required equipment and devices. Quotes were received from the following vendors in the amounts listed: Extra Team \$143,684.52 Fusion Storm \$145,512.95 NetXperts \$153,869.94 The District Information Technology Department and the Purchasing Department reviewed the quotes. All vendors provided valid piggyback-able contract pricing. The lowest and recommended quote was received from Extra Team, in the amount of \$143,684.52. Extra Team quoted under WSCA Cisco Master Agreement AR-233. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

52. Consider Approval of Bond Measure Budget Transfer and Appropriation (No. 40) Presenter: Vice Chancellor Ikharo Approval is requested for one bond measure budget transfer and appropriation (No. 40). This budget action has been approved by the Laney College President, Vice Chancellor of General Services, Vice Chancellor of Finance & Administration, and the Chancellor. With the intent of full disclosure, it is now presented to the Board of Trustees for approval. Funding Source: Bond Measure A. On June 23, 2009, the Board of Trustees approved the Bond Measure (A and E) Spending Plan, which included budget appropriations, cash flow projections and budget transfer procedures. The Measure A budget included all current and future projects totaling the \$390 million bond amount. At that time the Board also approved the process for future budget transfers from one project to another, which included District and College approvals and subsequent approval by the Board of Trustees. Since that time, project scopes have been refined, and some new projects have been created. In accordance with the Board approved Bond Measure Spending Plan, a budget transfer form has been prepared for this budget transaction. The transaction indicates the current budget, revised or new budget and the transfer amount, for both the budget that is being increased (credit) and the budget that is being decreased (debit). Following is the summary for Measure A Budget Transfer No. 40: Transfer Number Project/Budget Name Current Budget Revised/New Budget Transfer Amount
