

Policy 7.83 Students' Responsibilities

Students who do not declare an educational goal or see a counselor prior to or during the term after which the student completes 15 semester units or 22 quarter units shall be notified by mail of the students' responsibilities. If the student fails to develop an educational plan within 90 days, the district may suspend or terminate matriculation services. The district may not suspend or terminate any service to which such a student is otherwise entitled.
