

BOARD POLICY 7380 ETHICS, CIVILITY AND MUTUAL RESPECT

It is the policy of the Peralta Community College District to foster an environment which maximizes student learning and employee performance, and a climate of ethics, civility and mutual respect among faculty, staff, students, and members of the Board of Trustees of the District.

As members of the Peralta Community College District community, we are expected to treat other community members with ethics, civility and respect, recognizing that disagreement and informed debate are valued in an academic community. Behaviors that affect the ability to learn or work in the college environment depart from the standard for ethics, civility and respect and are unacceptable.

Individuals covered by this policy include faculty, staff, managers, supervisors, students, and members of the Board of Trustees. The Chancellor shall issue an administrative procedure detailing this policy.
