

Performance / Scope of Work

Ms. Sharon Schuyler provides business services to the Alameda One Stop Career Center since 2012. In this role, she interfaces with local companies to assist them with their hiring needs. She has brought more than 10 on site recruitment events to the COA campus this fiscal year, including a large scale mass hiring event for the new Alameda Target store attracting more than 1,000 applicants, and has been extremely active in outreach efforts to new business. She continues to exceed contact performance goals mandated by the Alameda County Workforce Investment Board.

Utilizing new funding from the International Rescue Committee, she will provide employment placement services for up to 17 referred individuals. Ms. Schuyler has experience working as a job developer at the English Center working with limited English speaking refugees. Services will include: orientation, workshops, career exploration / guidance, job search, and post-employment services.
