**ITEM TITLE:**

Proposition 39 Clean Energy Workforce Program Grant

**SPECIFIC BOARD ACTION REQUESTED:**

Consider approval for Laney College to accept and administer a grant of \$933,000 for the Bay Region for the Proposition 39 Clean Energy Workforce Program Grant from the State Chancellor's office.

**ITEM SUMMARY:**

Laney College has been designated by the Bay Area Community College Consortium to lead the Bay Area regional collaborative for the Proposition 39 Clean Energy Workforce Program Grant. This \$933,000 grant is for the period from April 1, 2015 to June 30, 2016. This grant will be used to hire a director, collect data for Laney and participating colleges in the region on completion of relevant degrees, certificates, and certifications, provide professional development for faculty throughout the region, and provide formula-driven program improvement funds through sub-awards to partner community colleges.

**SOURCE OF FUNDS:**

The funding for the Proposition 39 Clean Energy Workforce Program Grant is available through SB 73, the Clean Energy Job Creation Fund of the California Clean Energy Jobs Act.

**BACKGROUND/ANALYSIS:**

The Proposition 39 Clean Energy Workforce Program grant will be used to meet a number of key objectives including the following: to build and sustain a regional network of colleges to prepare the workforce for the energy sector to improve energy efficiency and expand clean energy generation in the built environment; to elevate the quality of instruction at colleges that have investments in education and training in the energy efficiency and renewable energy sector; incentivize through instructor stipends and other means regional cooperation in curriculum alignment, increased student access to certificates and degrees, and increased access to employment; and to build career pathways that assure student success by connecting student learning outcomes directly to employment opportunities.

**DELIVERABLES AND SCOPE OF WORK:**

Laney College will work collaboratively in a Bay Region network of colleges conducting workforce development and program improvement in the commercial energy efficiency sector and related construction trades. Led by a director, Laney will support colleges in the region to track and document completers of certificates, degrees and industry recognized credentials, improve MIS tracking systems, improve connections with employers, align curriculum with industry needs, improve tracking and documentation of employment entry, and align curriculum across the region. The project will also support completion of recognized apprenticeship programs in the building trades which receive college certificates. The project will also support the efforts of the Energy Efficiency and Utilities Sector Navigator and Deputy Navigator for the

California Community Colleges to improve energy efficiency in the built environment and work to meet State of California AB 32 carbon reduction goals.

**ANTICIPATED COMPLETION DATE:**

The grant is for the period April 1, 2015 to June 30, 2016.
