

BOARD POLICY 2745 BOARD SELF-EVALUATION

The Board is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board has established the following processes:

The Peralta Governing Board will conduct a formal self-evaluation on an annual basis during the months of November and December. The following self-evaluation form will be circulated to each of the Trustees and Student Trustees on or about the 15th of each November. Trustees shall complete the form and deliver a copy to the Board President no later than the end of November. This document will be used as the foundation for a formal discussion during a workshop scheduled in conjunction with the December Board meeting. The goal of the self evaluation will be to share views, values, concerns, priorities, and recommendations among the Trustees. This meeting will be conducted prior to the formal reorganization of the Board and chaired by the out-going President.

The results of this process will be used to identify accomplishments in the past year and goals for the following year
