The use of video is expanding in education, training, documentation, law, insurance, and government. New uses are identified and new markets are created daily, as video becomes a new literacy skill. Many media students desire the flexibility and benefits of either a freelance or entrepreneurial career. Video production is a proven path for entrepreneurial efforts and, in the media field, many more people are employed as freelancers than as full or part-time employees. MEDIA 112 focuses on the legal, professional and personal requirements for a successful career as a freelancer or media entrepreneur. COA	COA Modified Program	A.S. - T in MATH	A.S. -T	Fall 2015	1701.00	Degree has been modified due to pre-req change in Math 3F. The old lay out did not make sense as it asked students to choose between 3E or 3F, but a student cannot take 3F w/o taking 3B & 3E beforehand, so we decided to make 3A-3C & 3E Required Core, and moved 3F to the electives. Also, physics 4B & 4C were removed since student cannot take these courses without having Physics 4A completed. This brings the total number of units for the degree to 21-23. This modification is part of the program audit.	2/17/2015	Approved

Merritt	MC Program Correction	Sociology	AA-T	Likely Fall 2015	2208.00	The Associate in Arts Degree in Sociology is intended to meet the lower division requirements for Sociology majors (or majors that have been deemed similar). Sociology is the critical and applied investigation of everyday life. This approach to academic studies provides students with an analysis of social life, social change, and the social factors and consequences of human behavior using the methods of social science research. Sociologists examine the social construction of individuals, groups, organizations and institutions and how people interact within these contexts. Successful completion of the program with a minimum G.P.A. of 2.0 affords students specific guarantees for transfer to the CSU system such as admission to a CSU with junior status, priority admission to their local CSU campus and to a program or major in Sociology or similar major. Students interested in the AA for transfer degree in Sociology should consult with the Social Sciences Department Chair and a counselor. The Associate transfer degrees (AA-T) require the completion and certification of the California State University General education (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern, as well as the specific Associate for transfer (AA-T) major degree requirements. The AA-T does not require any additional college specific General Education Requirements. Change List B heading to include option to complete List A requirements	2/12/2015	Approved
