

BOARD POLICY 7330 COMMUNICABLE DISEASE

All newly hired academic employees shall have on file a medical certificate indicating freedom from communicable diseases, including tuberculosis. No academic employee shall commence service until such medical certificate has been provided to the District.

All newly hired **academic or classified** employees must show that they have been examined within the past 60 days to determine that they are free from active tuberculosis **by providing the District with a certificate from the employee's examining physician showing that the employee was examined and found to be free from active tuberculosis.**

All employees shall be required to undergo an examination within every four years thereafter to determine if they are free from tuberculosis.
