**ITEM TITLE:**

Fund 72, Student Representation Fee Trust Fund

**SPECIFIC BOARD ACTION REQUESTED:**

It is recommended that the Board of Trustees approve the establishment of Fund 72, Student Representation Fee Trust Fund for the purpose of recording revenues, expenditures, and other financial transactions directly related to Student Representation Fees.

**ITEM SUMMARY:**

In 2013, California Education Code 76060.5 was amended to authorize the associated student organization of a community college to hold an election to establish a \$2 Student Representation Fee. This would allow community college students to advocate for themselves and their communities by providing “support for governmental affairs representatives of local or statewide student body organizations who may be stating their positions and viewpoints before city, county, and district governments, and before offices and agencies of state government” as described in California Education Code 76060.5.

For each \$2 collected, \$1 would be used at the local level by the Associated Students of the college, the other \$1 would be used to establish and support the operations of a statewide community college student organization, recognized by the Board of Governors of the California Community Colleges, to carry out advocacy at the statewide level as described in California Education Code 76060.5

In April of 2016, students at all four Peralta Colleges approved \$2.00 Student Representation Fee propositions.
