Budget Transfer Report

**SPECIFIC BOARD ACTION REQUESTED:**

Consider approval of budget transfer report covering the period from October 29, 2016 through November 30, 2016.

**ITEM SUMMARY:**

California Code of Regulations Section 58307 limits the District's expenditures to the amount appropriated for each major expenditure classification as approved by the Board of Trustees through the adoption of the District's annual budget or as amended by subsequent budget transfers or revisions. Due to this statutory control language, budget transfers that move budget authority between major object codes or classifications must be approved by the Board of Trustees. The budget transfers presented are requests originating from the Colleges' or District's departments during the ordinary course of operations and do not significantly alter the final budget that was approved by the Board of Trustees on September 8, 2015.

**BACKGROUND/ANALYSIS:**

Budgeting is an essential element of the financial planning, control and evaluation processes of governmental entities. Every governmental unit prepares a comprehensive budget covering all governmental, proprietary, and fiduciary funds for each annual fiscal period. The accounting system provides the basis for appropriate budgetary control. The community college district budget is a plan of proposed expenditure for operations and estimated revenue for a given period of time (fiscal year). The budget represents the operational plans of the District in terms of economic decisions. Budget requirements and processes are described in the California Code of Regulations, beginning with Section 58300.

Once the budget is adopted, the total amount designated as proposed expenditure for each major object of expenditure classification is the maximum allowed without additional governing board authorization for transfers between major classifications or from the reserve for contingencies in accordance with California Code of Regulations Section 58307.
