

**PERALTA COMMUNITY COLLEGE DISTRICT**  
**Board of Trustees Agenda Report**  
**For the Trustee Meeting Date of June 24, 2008**

**ITEM # 18**

**ITEM TITLE:** *(Please define the subject; e.g., change order – Berkeley City College)*

**Approval to Purchase Hardware to Upgrade the Existing IT Servers and Storage**

**SPECIFIC BOARD ACTION REQUESTED:**

Approval of Measure A funds to upgrade IT's existing computers and software.

**ITEM SUMMARY:** *(PLEASE DISCUSS THIS ITEM)*

This request is to purchase the additional equipment to support our existing equipment and replace the older units. This request is due to the current technology upgrades at all the colleges under Measure A. More servers and storage capacity is required to support the systems at the colleges.

The cost of the servers, storage and related equipment and operating software is not to exceed \$120,000. These funds are requested from Measure A.

This item was a part of the 2008 IT Expenditure Plan that was presented in December, 2007.

**BACKGROUND/ANALYSIS:**

With the additional support requirements put on by the addition of PeopleSoft and its many components and the additional demands by other service areas, IT has started to see the older equipment not able to support these new demands. These new demands from the campuses include:

- Email accounts established for the students; this requires servers and storage to service their needs.
- Communications capacity for the Distance Learning courses and activities
- Disaster Communications for students, faculty and staff

These are included in the Measure A

It is our intention to use this additional equipment to keep our operation current with the demands of the Colleges and Service Centers.

**ALTERNATIVES/OPTIONS:**

There really are no alternatives. Currently, we are stretching our computers and any additional grow could be a serious operational issue. The response to the new software demands were more than originally planned and now we must grow to meet this demand.

**EVALUATION AND RECOMMENDED ACTION:**

Approval is recommended

**SOURCE OF FUNDS (AND FISCAL/BUDGETARY IMPACT):**

Measure A:

1. District wide safety systems included for disaster preparedness
2. Technology infrastructure for distance learning
3. All technology upgrades listed on the college project lists
